Perform with excellence. Compete with purpose.

Musicals bring stories to life through singing, acting, and dancing—engaging hearts in ways that words alone cannot. At FCT, we use this powerful art form as a ministry, creating a Christ-centered environment where performers can use their God-given talents to reach others.

We are committed to fostering excellence in the performing arts while encouraging spiritual growth, community, and purpose. Through every performance, we aim to share a message of purpose, inspire confidence, and equip the next generation to boldly lead and make an impact—both on and off the stage.

The Fellowship of Christian Theatrics is an outreach of the Fellowship of Christian Cheerleaders.
